## **Brenchley Gardens Outreach**

### **The Vision:**

To host a youth music stage as part of this year's Brenchley Gardens Outreach event in Maidstone town centre.

Last year we hosted a youth music stage as part of the Brenchley Gardens Outreach event in collaboration with Switch Youth Cafe, and it was a great success.

We saw our community come together in celebration of the emerging local musical talent here in Maidstone. With live musical performances from our brilliant young people, we transformed Brenchley Gardens into a safe community space for the day and brought local residents together to engage with live music.

We have been asked to host another youth music stage at this year's Brenchley Gardens Outreach event and we need £2140 to make it happen.

### **The Value:**

Bringing music and community vibes to Brenchley Gardens, breaking down social barriers and celebrating the amazing work that we are doing in Maidstone.

Providing a safe space for our local young people to perform publicly and spreading awareness of local causes in need of community support.

Supporting local community groups in their summer outreach initiatives.
